

## Product data sheet

### WeWash Care Washing Machine (03/2020)

<b>Brand</b>	BOSCH
<b>Type</b>	Washing machine
<b>Model ID</b>	WAY32740WW
<b>Approval type</b>	WNM64G
<b>Product certification</b>	VDE
<b>Manufactured in</b>	Germany
<b>Approved for commercial use</b>	Directive 2006/42/EC of the European Parliament and of the Council of 17 May 2006 (Machinery Directive)
<b>Nominal capacity</b>	9 kg Cotton laundry
<b>Energy consumption – Values determined according to IEC60456: 2010</b>	<p>The actual energy consumption depends on the way the washing machine is used. The actual values may deviate from those indicated due to variables including: water pressure, hardness and inlet temperature, ambient temperature, type, amount and soiling of water, detergent used, fluctuations in power supply and selected additional functions.</p> <p><b>WeWash recommendation to the user:</b></p> <ul style="list-style-type: none"> <li>– Easy Care, 40°C, 4 kg: 0.71 kWh</li> </ul> <p>Besides:</p> <ul style="list-style-type: none"> <li>– Quick Wash / Mixed Load, 40°C, 4 kg: 0.60 kWh</li> <li>– Cotton, 40°C, 9 kg: 1.10 kWh</li> <li>– Cotton, 90°C, 9 kg: 2.14 kWh</li> </ul>
<b>Power consumption when not booked</b>	0.00 W (disconnected by WeWash Box)
<b>Water consumption – Values determined according to IEC60456: 2010</b>	<p>The actual energy consumption depends on the way the washing machine is used. Actual values may deviate from those indicated due to variables including: water pressure, hardness and inlet temperature, ambient temperature, type, amount and soiling of water, detergent used, fluctuations in power supply and selected additional functions.</p> <p><b>WeWash recommendation to the user:</b></p> <ul style="list-style-type: none"> <li>– Easy Care, 40°C, 4 kg: 64 l (Duration: 59 minutes)</li> </ul> <p>Besides:</p> <ul style="list-style-type: none"> <li>– Quick Wash / Mixed Load, 40°C, 4 kg: 45 l (Duration: 45 minutes)</li> <li>– Cotton, 40°C, 9 kg: 90 l</li> <li>– Cotton, 90°C, 9 kg: 100 l</li> </ul>
<b>Airborne acoustic noise emissions</b>	Washing 47 dB (A), spinning 73 dB (A)
<b>Dimensions</b>	Length = 590 mm, Width = 598 mm, Height = 848 mm
<b>Weight</b>	81.3 kg
<b>Connections</b>	<p>Mains water: ¾" with a sealing, Aquastop</p> <p>Waste water: 20 mm</p> <p>Mains voltage: 220-240 V, 50 Hz,</p> <p>Connected load: 2,300 W, Fuse: 10 A</p>
<b>Height drainage pipe</b>	Max. difference in height between washing machine and drain: 100 cm
